

Linking Healthy, Equitable,  
& Sustainable Communities

How can new **Transit**, new **Development** and new **Public spaces** along East 105<sup>th</sup> Street, Woodhill Rd, and East 93<sup>rd</sup> Street help:

- Provide better access to **Jobs**?
- Make people feel **Safe**?
- Support **Healthy** lifestyles?
- Build community **Pride**?

The Cleveland Planning Commission is planning to better connect neighborhoods and set the stage for future investment along the E105<sup>th</sup> – E-93<sup>rd</sup> street corridor.

## We need your suggestions!

The planning process will run from June 2016 – March 2017. There will be many chances to participate. Please come to the meetings and sign up to receive information here:
